

You, too, can REACH for Gold at Your Favorite Club!

If you have no plans to play in the Chesapeake Regional November 13-19 in Cambridge, MD, never fear—you, too, can win Gold by playing in an experimental, ***regionally rated GOLD point event in clubs*** during the first five days that week, Monday-Friday, November 13-17. This is an opportunity to win ***GOLD*** with face-to-face play at your favorite club at a ***Regional Event At the Club "House"***!

- The concept is similar to a Side Series Pairs at a regional and allows face-to-face play at your local club in a pairs event that runs five days. ***You do not need to play all five days OR play at the same club OR play with the same partner!***
- ***You need to register in advance*** and pay the special regional fee--\$25 for two to five sessions--online at <https://sites.google.com/site/racswingforgold>.
- Then go to a participating club on at least two days in order to be included in the event since ***GOLD*** points are only awarded for events that are a minimum of two sessions. Pay your regular entry fee to the Club Manager and sit down and play.
- You compete as an individual in the Regional Side-Series game and as a partnership in your regular club game at the same time.
- The game you play in must start no earlier than 10:30am and no later than 1:30pm.
- Hand records will not be posted or distributed until 4pm. This will ensure the integrity of the game and allow the many afternoon clubs who do not end their games until late afternoon to also participate.
- Each day, the club results for registered players will be "match-pointed" across the entire TCG field. The average of the resulting two best scores is used to determine your event rank for ***GOLD***.
- Whether or not you win ***GOLD***, you are eligible for the black points awarded by your Club that day.
- You can read all the details about the Regional Event At the Club "House" at <https://sites.google.com/site/racswingforgold>.
